Dear Sir,

I am Mr. Mustapha T. Massaquoi
a teacher of the Peninsula Secondary
School teaching Integrated Science
ISS III (three).

During the Ebola Virus Disease
outbreak in Sierra Leone, my wife
Celina Jabaty Massaquoi contracted
the disease and died. I also contracted
the disease through my beloved wife.
I was taken to the Hospital at Hastings
(P.T.S I (one)), treated and through the
Grace of the almighty God, I survived.
I was discharged on the 20th of
October, 2014. I have resumed my
normal teaching.
I have just received the sum of

Le250,000 (Two hundred and fifty thousand) from Mr Alfred Bangura the acting principal of Peninsula Junior Secondary School.

On behalf of the Massaquoi family and on my own personal behalf, I heartily appreciate and thank the charity for the kind gesture.

Yours sincerely,
Mustapha J. Massaquoi

Dear Sir,

LETTER OF APPRECIATION

I wish to express my sincere thanks and appreciation on behalf of my family for your generosity. I received the sum of two hundred and fifty thousand Leones from your Charity Fund for which I am greatly happy and grateful.

I lost my wife to Ebola on the 26th September, 2014 and from that time to now I have been struggling to cope. However, I must confess that, this gesture of two hundred and fifty thousand Leones will go a long way to salvaging my present situation. I hope and pray that your organization continue to remember us the survivors in your charity programmes.

Yours sincerely

John
